

Vuletich Standard means that all fruits are prepared & packaged in jars within 24h. Our prepared food is without any additives, pesticides, GMO, Barcodes, freezing or other molecular changes. Special technology and non- reactive equipment allow us to be the best food producer in Europe. At this moment we are small producer of healthy food but We are planning to expand. Our production capacity is about 20000 pcs.(one truck 25t) a year of each product except Mushrooms. Mushrooms vary from season to season. All of the products, you can arrange with us for the season 2015th. For advance agreed orders we give discount 5%. **Für vereinbart Aufträge geben wir 5% Rabatt.**

OUR UNIQUE WAY OF PRODUCTION - VULETICH STANDARD

If you are interested in any way of cooperation We would be pleased and grateful!

Our Farm is about 6 hectares of fruit and placed in the middle of Serbia. The State of very clean and good food. With our subcontractors other farmers which produce food under our Vuletich Standard We can offer you solid quantity of foods. If you are interested please do not hesitate to contact us. At the moment We have no WEB but very soon will be presented on the Internet.
